MIKAELA YASAY

WEB AND GRAPHIC DESIGNER

ABOUT ME

I am a self-driven, graphic and web designer motivated to learn, grow, and succeed in the design industry. I am constantly seeking opportunities to gain more knowledge, and experience through collaborating with others to exceed client goals and produce remarkable outcomes in an effective and timely manner.

EXPERIENCE

UNITED STATES ARMY RESERVES
25U - Signal Support Systems Specialist

Honolulu, HI
June 2018 - June 2024

Integrate signal systems and networks; performe signal support functions and unit level maintenance on authorized signal equipment. Install, operate, and maintain radio and data distribution systems. Coordinate with a team to establish the demands given by higher commanders while ensuring time management.

SAE DESIGN GROUP
Graphic Design Intern

Honolulu, HI
October 2022 - March 2023

Simultaneously work on multiple projects while efficiently collaborating with the design team to discuss the creative process—assist with the draft, design, and development phases. Communicate with clients during the draft and design phase—address any input and feedback for necessary revisions.

SAM'S CLUB
Associate- Personal Shopper

Honolulu, HI
July 2021 - May 2022

Provided member services in store and over the phone by identifying a members needs—resolving issues and concerns on purchasing decisions, location of merchandise around the store, online orders and club pickup, along with promoting any company products and services.
